

At Kitchenetta, our focus is on ingredients,  
carefully sourced, local, and seasonal.

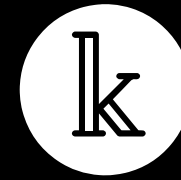

Our milk is organic, from Mossgiel Farm, as are our eggs from  
Ramstane Farm, both based in nearby Ayrshire.

Our sourdough is from Sojas Bakery based in Maryhill, right  
here in Glasgow. Haggis is from MacSween's, and bacon and  
gammon from Ramsay's of Carluke. Fish is from John Vallance  
at Glasgow fishmarket. Ice-cream is from Peacock's in Govan  
and our bagels are from local Partick baker, Brawsome.
